

PACIFIC LUMBER INSPECTION BUREAU

A Trusted Industry Partner Since 1903

MEMBER LIST & BUYER'S GUIDE

In January 2019, PLIB merged with West Coast Lumber Inspection Bureau (WCLIB) and American Institute of Timber Construction (AITC) to form one of the world's largest and broadest-based wood products quality control, inspection and certification organizations. This member roster is a quick reference to our members and subscribers. It is not intended to provide a detailed and comprehensive list of all products and services. For more information about any of our members, please visit their websites or contact them directly.

PLIB provides inspection and certification services for lumber and timbers, structural glued laminated timber (glulam), wood packaging, and other wood products for members in the United States, Canada and Europe. PLIB is an independent, non-profit organization approved by the American Lumber Standards Committee as an accredited third-party auditing agency for a variety of programs including lumber grade rules writing, grade stamping, HT certification, CE marking and California WUI certification.
